

ALEXANDER HEIRWEGH, PETILLION, BE

Alexander Heirwegh is a lawyer at PETILLION specialising in Intellectual Property, Information Technology, Data Protection, Internet, E-Commerce and Telecom.

Alexander obtained a Master's degree in Law at Ghent University, magna cum laude. He also obtained an LL.M. in Intellectual Property and ICT Law at Leuven University, magna cum laude. During his studies, Alexander focussed on European and IT Law at Charles University in Prague, Czech Republic, while taking part in the Erasmus exchange program.

Alexander has a particular expertise in online brand and copyright protection, and domain names. He worked on various online trademark and copyright infringement cases and domain name disputes. He also wrote a Master's thesis on privacy and trademark enforcement issues in cybersquatting cases.

Alexander assists international clients in developing their distribution networks and online commercial activities. He advises and represents service providers and intermediaries in matters related to their regulated activities, the protection of their intellectual property, unfair commercial practices and consumer protection. He also handles jurisdictional disputes with a focus on private international law.
